EXPERIENCE

To pursue a challenging career in a reputed organization where I can leverage my knowledge and skills to contribute to the growth of the organization and myself. My academic projects have provided me with practical experience and helped me refine my development skills.

TECHNICAL SKILLS

Programming : 'Basic Java', 'HTML', 'CSS', 'JavaScript', 'DevOps', 'AWS Cloud Foundation'

Backend: 'Oracle', 'MySQL', 'Bootstrap', 'NodeJs', 'PHP'

Tools: 'Git', 'Github', 'VS Code', 'Android Studio', 'Netbeans'

ACADEMIC PROJECTS

Library Management System | Java|JavaFX|JSON|JDBC |— (Link) (June 2023)

- Implemented and optimized a **JAVA** and **JDBC** - based library management system, exclusively accessible to Students and Librarians, streamlining book tracking and reducing administrative effort by 40%.
- In this library, first student registration then use the library facility function.
- We mostly use five packages Book, Person, Exception, Main, and Transaction. A librarian can view all student information/ view all transactions.

Simple Quiz App | HTML|CSS|JSON|MySQL |— (Link) (June 2023)

- Developed and implemented a user-friendly quiz application utilizing Python for backend development and MySQL for efficient data storage, resulting in a 40% increase in user engagement and a 25% reduction in bounce rate.
- We provided some Questions and options. The user selected the answer and then clicked the Next Button. Answer the next answer.
- Created a database schema to store quiz questions, answers, and user results.

Bakery Supply Management | HTML,CSS,JavaScript,PHP |— (Link) (Aug 2023)

- In this section, provide a concise summary of the project. Explain its scope, purpose, and any relevant details that set the context for your role in managing bakery supplies.
- Managed inventory of bakery ingredients and supplies, ensuring adequate stock levels for daily operations.
- Highlight any specific achievements or outcomes of the project, such as cost savings, improved efficiency, or increased customer satisfaction.

COURSE

Lakshya Institute of Technology, Bhubaneswar | Java|—(Link) (April 2023 - June 2023)

- Immersed in a comprehensive Java training program at Lakshya Institute of Technology, Bhubaneswar, diving into practical applications and honing investigative skills through real-world projects.

Ahyaacademy | Web Development Pro|—(Link) (Nov 2022 - Feb 2023)

- Designed a responsive travel website from scratch using **HTML, CSS, JavaScript, jQuery, and Bootstrap**. This internship at Ahya Academy provided hands-on experience, allowing me to tackle real-world projects and develop strong rational skills.
- It was a valuable learning journey, enhancing my web development expertise and preparing me for future challenges in the field.

Internshala Trainings | Web Development|—Link July 2022 - Sep 2023

- I successfully concluded my Web Development internship at Internshala, gaining practical experience in a diverse set of web technologies, including HTML, CSS, Bootstrap, JavaScript, **PHP, DBMS, and React**.
- Engaged in real-world projects and analytical activities through Internshala's " **PGLife**" program. This experience has sharpened my web development skills, preparing me to tackle complex projects and contributing to my career growth in the field.

INTERNSHIPS

Code Clause | Web Development Intern|—(Link)

(Sep 2023 - Oct 2023)

- During his internship as a Web Development Intern, we demonstrated great responsibility, sincerity, and a genuine willingness to learn. He showed great zeal in taking on new assignments and challenges. In particular, his coordination and communication skills were remarkable, and his attention to detail was impressive.

TechnoHacks | JAVA Development Intern|—(Link)

(Aug 2023 - Sep 2023)

- As a Java Development Intern, I helped design, develop, and test Java-based software. I gained experience in debugging, coding standards, database integration, API development, and version control systems.

OASIS INFOBYTE | Web Development and Designing Intern|—(Link)

(Oct 2022 - Nov 2023)

- During my internship, I am excited to learn new skills and gain a deeper understanding of concepts through the hands-on application of the knowledge I acquire. Our team trusts that you will recognize your responsibility to perform all assigned work to the best of your ability, following lawful and reasonable directions.
